

1 THE CHAIRMAN: Do you intend that as a question  
2 to Delegate M. H. Smith?

3 DELEGATE GALLAGHER: Yes, sir. I will ask the  
4 question, wouldn't it be better to provide that the action  
5 shall take place in such a way as to make the legislature  
6 act?

7 THE CHAIRMAN: Delegate Smith.

8 DELEGATE M. SMITH: Perhaps there should be an  
9 amendment in 3.03(A), also.

10 THE CHAIRMAN: Do I take it from that, Delegate  
11 Smith, M. H. Smith, that your answer means that you are un-  
12 willing to withdraw this as an amendment to Section 3.03?

13 DELEGATE M. SMITH: I will withdraw the amend-  
14 ment.

15 THE CHAIRMAN: You will. Amendment No. 4 is  
16 withdrawn.

17 Delegate Gallagher.

18 DELEGATE GALLAGHER: Mr. President, may I sug-  
19 gest that perhaps Mr. Smith needs this amendment before  
20 us and another one in 3.03(A) to make them both uniform  
21 in point of time.
